14	St. Louis University High	667
15	Harrisonville	661
16	Helias Catholic	656
17	Hickman	633

Methodology

This verified-only list excludes programs whose historical all-time baselines remain estimates, and Charleston is omitted because its known total is not sufficient to establish that it belongs ahead of other schools lacking official cumulative totals. Historical baselines come from the August 2026 MaxPreps national all-time wins compilation, preserved Football Friday Night data, school/local historical records, and audited program totals. The 2026 additions use varsity results through November 6, with MSHSAA schedules and MSHSAA playoff results preferred and current school schedules used as corroboration where needed. No estimated totals are included.
